Scientific Conference
“Zoology in Contemporary World:
Challenges of XXI Century”

October 6-8, 2020, Kyiv

Information letter № 1

Dear colleagues!

You are welcome to participate in the Scientific Conference “Zoology in Contemporary World: Challenges of XXI Century”, dedicated to the 90th anniversary of I. I. Schmalhausen Institute of Zoology NAS of Ukraine, which will be held in October 6-8, 2020.

Researchers of scientific institutes, universities, educational and nature conservation institutions and organisations are invited to present their findings in the fields of zoology, faunistic studies, systematics, ecology, morphology, animal behavior, paleontology, zoogeography and nature conservation.

Venue: I. I. Schmalhausen Institute of Zoology NAS of Ukraine; vul. Bogdana Khmelnytskogo, 15, Kyiv, Ukraine

Participation: Participants are invited to present their results as keynote presentation (20 minutes), oral presentation (10 minutes), or poster presentations.

Languages of the Conference: Ukrainian and English.

Registration fees. Details concerning the fee will be sent in the Information letter № 2.

Registration Form for each participant is obligatory. Please fill the Registration Form (attached below) and sent it to e-mail: conference.izan90@gmail.com before May 15, 2020. Please name the Registration Form with the surname of the participant (example; Petrenko.doc).

Abstracts: The abstracts of presentations will be published in electronic form as the Proceedings of the Conference (with ISBN) and will be accessible at the website of Institute of Zoology. Abstract body is limited to 2000 characters (with spaces). Please do not include references, illustrations and tables. Name of the abstract file should include the author's surname and “_tezy” (example: Petrenko_tezy.doc). Abstracts will be reviewed and selected for presentation by the Conference Committee. Only the abstracts that were presented at the Conference will be published.

Deadline for the abstract submission is **May 15, 2020**.

Additional information about the Conference and details regarding the registration fee will be sent to all registered participants in the Information letter № 2.

Key dates: Registration Form and Submission of the abstracts — **before May 15, 2020**.

Information on of acceptance of abstract — **June 1, 2020**.

Information letter № 2 — **June 10, 2020**.

Information letter № 3, Program of the Conference — **September 15, 2020**.
